Health and Return Guarantee:

New owners will have 72 hours to take the Border Collie to a Veterinarian Clinic of their choice for an examination. If the Vet finds any serious medical existing problem, Swafford Border Collies will refund the entire selling price or exchange for another Border Collie of equal value. 6 month guarantee for hips, eyes or any other birth defect for money return or puppy exchange.

No Vet bills or any other expense will be paid by the seller. All paperwork that was given with the dog must be returned with the dog at that time.

If the new owner cannot keep the dog, they agree to contact Swafford Border Collies, and work together in finding the dog a new home. New owner also agrees, not to take the dog to a pound, humane shelter or rescue center.
